Legal Reference	Safe Drinking Water and Toxic Enforcement Act of 1986 (CA Prop 65) - As of 1/12/2017
Summary	California Proposition 65 is a California legislation that restricts the use of chemicals that are known to cause cancer or birth defects or other reproductive harm. Businesses are required to provide a "clear and reasonable" warning before knowingly and intentionally exposing anyone to a listed chemical. Proposition 65 also prohibits companies that do business within California from knowingly discharging listed chemicals into sources of drinking water.
Scope	All products, including packaging, that is sold in the state of California
