Date of Completion	February 21, 2019

Legal Reference	EU REACH Directive Annex XVII (17) Restrictions on the Manufacturing, Placing on the Market and Use of Certain Dangerous Substances, Mixtures, and Articles - As of 1/12/2017
Summary	A substance on its own, in a mixture or in an article, for which Annex XVII contains a restriction shall not be manufactured, placed on the EU market or used unless it complies with the conditions of that restriction. Based on supplier information and/or analytical data, each manufacturer/importer must evaluate their chemical substance use against the restrictions to ensure compliance.
Scope	All articles entering the EU market. This includes all parts going into the article.
Link	Annex XVII to REACH Link (https://echa.europa.eu/substances-restricted-under-reach)

	Yes	No
Does any of the SpillFix products contain any of the chemicals listed under Annex XVII in amounts exceeding the established thresholds (where no threshold is specified, the allowed concentration limit is zero). Please see sheet "Annex 17 List" for full substance listing.		✓

For the materials identified to contain substances listed on the Annex XVII Chemical Restrictions list, we will provide the name, CAS# and concentration amount of each contained substance.

No substances listed on the Annex XVII Chemical Restrictions list are present in any SpillFix Industrial Organic Absorbent product.
